

Have a look at **DIAGRAMS** and **Circuits** of the following components and learn them by heart!

Diagram of a Half-Wave-Rectifier

Diagram of a Full-Wave-Rectifier

Diagrams of various Diodes

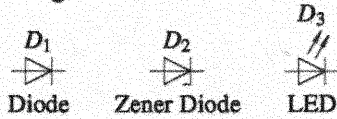

Diagram of a Laser diode

Diagram of a Transistor NPN, PNP, FET etc

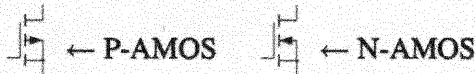

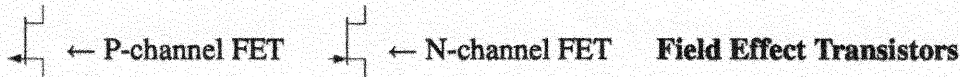

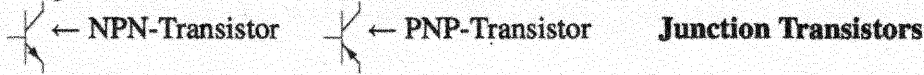

Diagram of a Photo Transistor

NPN photo transistor

Diagram of an SCR

Diagram of a TRIAC

Diagram of a Schottky diode

Diagram of a PIN diode

Diagram of a Gunn diode Diagram of a Varactor diode

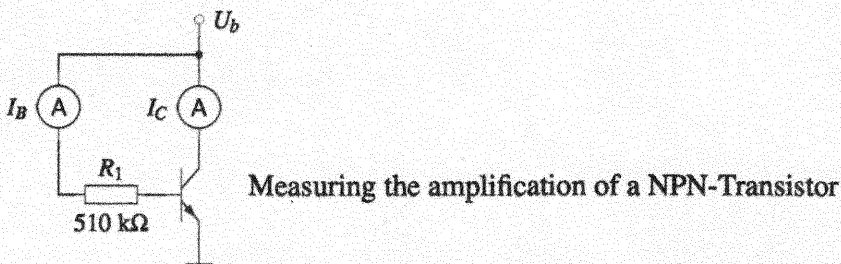

Diagram of a Common Base Transistor

Diagram of a Common Collector Transistor

Diagram of a Common Emitter Transistor

Diagram of a Differentiator
